The Fives Run North-South tells the story of Adam Mann and the mysterious driver of a red SUV. After a frightening road rage incident, Adam continues to be the target of irrational ire, as the unknown driver's increasingly unhinged acts of revenge threaten to destroy his home and work life.

But just as Adam discovers the identity of the SUV's driver, the narrative turns to Ben Keaton, whose father Rob has suddenly passed away.

Only Rob knew the truth behind the road rage incident. It was a story in need of an ending only Ben could provide. Ben begins to suspect that the answers hold clues to Rob's untimely death.

Parallel mysteries will keep you on the edge of your seat as fiction reveals hidden truths in this fast-paced psychological thriller.
