Eco-Villages & Sustainable Communities: Models for 21st Century Living

Eco-Villages & Sustainable Communities: Models for 21st Century Living

This text is based on the proceedings of the Eco-Village and Sustainable Communities Conference which took place at the Findhorn Foundation in October 1995. Eco-Villages provide a guide and model for finding the balance in human systems - social, spiritual, cultural, economic and physical - that can work within the natural system of nature. This book covers the main talks and workshops presented during the conference, with essays from activists working in the field of sustainability.
