Europe 1900-1945 (Short Oxford History of Europe)

Europe 1900-1945 (Short Oxford History of Europe)

This book provides a thought-provoking and wide-ranging history of the whole of Europe between 1900 and 1945. Featuring six lively and stimulating chapters that have been specifically written for this volume, *Europe 1900-1945* focuses on the political, economic, social, and cultural aspects of this time period. It also examines the international relations within Europe and the wider world. Particular care is taken to integrate developments in southern and eastern Europe (including the USSR) into the more familiar story of what occurred in western and central Europe. A guide to further reading, a chronology, and an index allow readers to follow up on interest in particular countries.
