Completely rewritten for 2010, this year's edition of the guide features a more affable tone, new chapters, expanded data and information, and a color-infused format. This must-have book, often called the "bible of medical school guides," is the number 1 source for medical school applicants. The 2011-2012 edition features more information than ever before. The MSAR is the number 1 source for information on newly accredited medical schools, application procedures and deadlines, selection factors such as MCAT & GPA data, medical school class profiles, costs and financial aid packages, MD/PhD and other combined degrees, graduates' specialty choices, and updated USMLE policies. MSAR is the only resource fully authorized by medical schools.
