Radical Action: A Colt Kelley Thriller James D. Kellogg

E-Force lurks in the Colorado Rockies, unleashing destruction at prominent ski resorts. While the media validates the extremists' radical action, Colt Kelley, a disillusioned environmentalist, finds himself inescapably linked to their crimes. When people close to Colt start dying, a dark conspiracy below the eco-terrorist façade thrusts him into the cross hairs of merciless killers and an organization with unfathomable power. In a race against time and ruthless evil, Colt is the only obstacle between E-Force and a terrible hidden purpose. To stop both, Colt must take his own radical action...or die trying.
