SHEENA

QUEEN OF THE JUNGLE

Sheena, Queen of the Jungle is a fictional American comic book jungle girl heroine, originally published primarily by Fiction House. She was the first female comic book character with her own title, with her 1937 (in Great Britain; 1938 in the United States) premiere preceding Wonder Woman #1 (cover-dated Dec. 1941). Sheena inspired a wealth of similar comic book jungle queens. She was predated in literature by Rima, the Jungle Girl, introduced in the 1904 William Henry Hudson novel Green Mansions.

An orphan who grew up in the jungle, learning how to survive and thrive there, she possessed the ability to communicate with wild animals and was proficient in fighting with knives, spears, bows, and makeshift weapons.

Sheena debuted in Joshua B. Power's British magazine Wags #1, in 1937.

Sheena first appeared stateside in Fiction House's Jumbo Comics #1, and subsequently in every issue (Sept. 1938 – April 1953), as well as in her groundbreaking, 18-issue spin-off, Sheena, Queen of the Jungle (Spring 1942 – Winter 1952), the first comic book to title-star a female character.

In this book you will find the first Jumbo episodes from 1938-9 along with the first 5 complete Sheena, Queen of the Jungle comic books from 1942-9 (there was a 4 year break between 1943 and 1947).

ENJOY!
