The Seven Deadly Sins: A Modern Day Interpretation of Humanity's Toxic Challenges With a Practical Spiritual Twist Kevin Hunter

The Seven Deadly Sins is a pocket book that takes a look at the traditional sins in a practical way. The Seven Deadly Sins in today's language would be the Seven Toxic Challenges. Being aware of these toxic challenges are helpful since falling into a deadly sin creates a block from achieving greatness, finding peace, and picking up on the messages and guidance coming in from Heaven. The messages and guidance are intended to help guide you along your path.

You were born with an ego that expands as it enters the Earth's atmosphere. This ego causes you to struggle and have conflicts as it attempts to take over you and dominate your actions, thoughts, and feelings. When your ego runs recklessly it grows and expands into darkness. The dark ego is what prompts you to wrestle with challenges in this lifetime. These challenges were called sin during ancient times. The sins committed can delay you on your path and wreak havoc on your soul's innate system. This innate system is the higher self part of you that governs your life through a broader perspective.

The seven deadly sins were created in order to assist human souls in making sounder choices. They are challenges that all human souls wrestle with to one degree or another. When you're deeply absorbed in these toxic challenges, then it causes an array of issues and complications on your life path. These sins or challenges prevent the positive flow of energy and abundance in your life. They also play a hand at creating a block that stops up the communication line with your team on the Other Side. The sins or toxic challenges looked at include, Pride, Envy, Greed, Lust, Gluttony, Wrath and Sloth.
