## **Blonde and Blonder** Annette Clarke

Based on a true story and written in the form of her personal diary, *Blonde and Blonder* is the comedic and romantic journey of 36 year old Amelia, chronicling 18 months of her life as she extricates herself from years of an abusive marriage endeavouring to regain her independence and self-confidence. She embarks on a love affair with the Police Officer who helped her escape; however at ten years younger than herself she is scared he, like her abusive ex, will eventually blame her for not providing him with children. Emotionally damaged and scarred she dyes her hair blonde and runs away to Australia to join her best friend from school which sparks an hilarious series of blunders, drama, unfortunate events and sometimes plain 'blonde moments'. Despite this rollercoaster of events, she meets her destiny in Australia but can Amelia follow her heart and her dreams and leave behind for good the chains of emotional and physical abuse she has experienced to finally allow herself to be loved again?
