## Cost-sharing and Accessibility in Higher Education: A Fairer Deal? (Higher Education Dynamics)

The demand and the costs for higher education have risen steeply in recent years. The most common response worldwide has been some form of cost sharing: shifting per-student costs from governments and taxpayers to parents and students. This timely book provides a comprehensive discussion of the concepts and consequences of cost-sharing in higher education. It offers a comparative approach based on several national case-studies, and proposes alternatives to prevalent approaches.
