Math Workbook for ISEE, SSAT & HSPT Prep Allen Koh

OUR SECOND EDITION OF THE MATH WORKBOOK WITH THE MOST UP TO DATE CHANGES AND NEW ADDITIONAL CHAPTERS IS NOW AVAILABLE ON AMAZON.

The philosophy of this math workbook is rigor and drill. Because this is the first standardized test students take that actively tries to trick them at every turn, students need reflexive familiarity with computation (math facts), problem types, and strategy. For most students, this will be the first test in which time management becomes a significant issue. This book gives students plenty of practice to find a balance between allocating time on computation versus analysis, while avoiding the tricks and hurdles set by the test makers. By building skills, speed, and confidence, we hope to eliminate anxiety and give students a solid foundation on which to achieve excellent results.

This book is intended as a supplement for our highly trained staff, so it includes neither strategies nor answer explanations. However, motivated students can use it successfully with occasional help from a teacher or parent. Each chapter is comprised of units, with each unit consisting of 4 problem sets. The questions in each problem set are organized in a logical manner and in order of increasing difficulty. Students should attempt as many of the 4 problem sets from each unit as it takes to achieve a 90% accuracy rate. Students taking lower level exams should complete problems 1-10 in each set. Students competing for high school admissions should complete each problem set in its entirety

There is an updated answer key for those who email us at Info@CardinalEducation.com.

From reader reviews:

Martha Wilson:

As people who live in the modest era should be upgrade about what going on or information even knowledge to make these people keep up with the era and that is always change and make progress. Some of you maybe will certainly update themselves by reading books. It is a good choice for you but the problems coming to a person is you don't know which you should start with. This Math Workbook for ISEE, SSAT & HSPT Prep is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Michael Griffin:

The reason why? Because this Math Workbook for ISEE, SSAT & HSPT Prep is an unordinary book that the inside of the guide waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such remarkable way makes the content inside of easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of benefits than the other book get such as help improving your proficiency and your critical thinking technique. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.

William Sanchez:

This Math Workbook for ISEE, SSAT & HSPT Prep is great guide for you because the content which can be full of information for you who all always deal with world and get to make decision every minute. That book reveal it data accurately using great arrange word or we can state no rambling sentences within it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with attractive delivering sentences. Having Math Workbook for ISEE, SSAT & HSPT Prep in your hand like obtaining the world in your arm, details in it is not ridiculous 1. We can say that no reserve that offer you world with ten or fifteen second right but this book already do that. So , this can be good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?

Samuel Freeman:

Reading a book being new life style in this 12 months; every people loves to examine a book. When you learn a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. In order to get information about your research, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, and also soon. The Math Workbook for ISEE, SSAT & HSPT Prep provide you with a new experience in reading through a book.
