In this true story, Wilson puts you in her shoes during poignant and heartbreaking episodes in her life where she experiences death, infidelity, and despair. She also makes it a point to teach you (maybe it's the educator in her) how to get through the events in life that you don't expect. Anything Can Happen can be used as a complete source to surviving the hopelessness, loss and depression felt after a tragic event or the discovery of betrayal. Each chapter concludes with a lesson as well as words of comfort and guidance to arrive at wholeness. Anything Can Happen takes you on a journey over the many years in Wilson's life where she experienced extreme lows and then explains how she overcame each and every one with the grace of God, the love of family, and the support of friends.
