## **Ride The Rising Tide (The Maxwell Saga Book 2)** Peter Grant

Trapped in the Dragon Tong's search for a lost legend, Steve Maxwell finds a way out by enlisting in the Lancastrian Commonwealth Fleet.

If he survives long enough to earn a commission, he'll be able to hunt down the pirates who killed his mentor. To get there, he'll have to slog through rain-swollen swamps, dodge incoming fire on a 'peacekeeping' mission, and face down a gang of angry smugglers. Even far away from enemies, a mistake can turn a spaceship into a deathtrap.

It'll take resourcefulness and courage to succeed... but Steve hasn't come this far in order to fail.
