Hope Crosby had been married, since she was in her late teens. She thought that life couldn't get much better, but then her husband died and left her with a debt that she just didn't have the money to pay. She didn't realize that her husband Hank was hiding just how bad things were. It wasn't just the bank that they owed. Apparently, he never paid for the extra cattle or the food that was needed to keep his livestock from perishing. She'd never been with any other man besides her husband and now she had a lecherous man offering to suspend her debt for something that she couldn't possibly give him. She turned her attention towards being a mail order bride and soon meets up with Avery Olson. She has a secret, but she is reluctant to reveal it, in case it changes anything between her and Avery. What will happen when that secret comes out?
