You can know the joy of unconditional love. Dr. Gary Chapman believes you have a god-given yearning for complete and unconditional love. But you'll never be able to express it -or receive it -until you learn to speak the right "love" language. The five love languages for singles reveals how different personalities express love in different ways. In fact, there are five specific languages of love: quality time, words of affirmation, gifts, acts of service, physical touch. Gary Chapman's first best-selling book, the five love languages, has already connected with more than 3 million readers. Now he tailors that message to meet the unique needs of singles, using real-life examples and anecdotes taken from his 30 years of interaction with single adults.
