#### **Robin Lawrence:**

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Western Front Experience: 1914-1918 can make you truly feel more interested to read.
