## **Advanced Sex Tips for Girls: This Time It's Personal** Cynthia Heimel

Cynthia Heimel seduced readers with her runaway bestseller *Sex Tips for Girls*. Now, in this eagerly awaited follow-up, Heimel takes us on a journey toward romantic enlightenment and finds it's not all that far from midtown.

Should you date a man who's on Prozac? Why is "single" a buzzword that makes us feel like killing ourselves? What's so funny about a man in a dress? Why was the panty girdle the straw that broke the back of the patriarchy? What if your son gets married on MTV? Is the Backlash over? Why does the theory of evolution dictate that every human must get laid as much as humanly possible? Entertaining, erudite, and always irreverent, Heimel's manifesto is a must-have for the twenty-first-century female.
