This book has now become a reality because of the connection and love that we share with each other. When i say i am referring to myself and IG, Law and order, AP, Mr. Harish kumar gupta ji. When i first met him at the police head quarters AP, i was so connected to this fantastic human being that i almost felt i am meeting an intelligence which does belong to this realm.

The insights that he has into various aspects of life is purely amazing. When i met his daughters, i knew the respect and love they have for harishji. I wanted to know what are the methods and approach he carries at home so that when the flavor is made available in many parents it will invoke a humangous possibility to have a vibrant relationship in the families.

I expressed this thought to him and he too agreed instantly. I was able to see the reflection of the same spark and enthusiasm to see the love in the families which i have within me reflect and spark in his eyes. This book is for all those who are looking for a very result oriented approach rather than those who are simply interested in reading pages and pages.

We wish you all a very vibrant relationship with your children and a glorious possibility to bring back the love into the family.
