Come to the Waters is an invitation to pastors and congregations to make the transforming power of God in Christ accessible to all persons. This book faces squarely the emerging mission frontier and proposes a daring alternative in making the gospel accessible to all persons, especially adults who have little or no experience with the life and faith of Christians. Part 1 focuses on welcoming and walking with persons on the journey of conversion. Part 2 provides model services and commentary that congregations may use in celebrating the stages and transitions of this journey. First book in the Christian Initiation Series.
