John (Interpretation Bible Studies) Mark A. Matson

In this ten-session study, Mark Matson presents the Fourth Gospel. The Gospel of John is a very different book than the other three--there is no Sermon on the Mount or parables and there is no teaching of the Lord's Prayer. But what is important about John is the undertone of conflict between those who accepted Jesus as Messiah and those who did not.

Interpretation Bible Studies (IBS) offers solid biblical content in a creative study format. Forged in the tradition of the celebrated Interpretation commentary series, IBS makes the same depth of biblical insight available in a dynamic, flexible, and user-friendly resource. Designed for adults and older youth, IBS can be used in small groups, in church school classes, in large group presentations, or in personal study.
