La regina dei castelli di carta. Millennium trilogy vol. 3 Stieg Larsson

La giovane hacker Lisbeth Salander e' di nuovo immobilizzata in un letto d'ospedale, anche se questa volta non sono le cinghie di cuoio a trattenerla, ma una pallottola in testa. E' diventata una minaccia: se qualcuno scava nella sua vita e ascolta quello che ha da dire, potenti organismi segreti crolleranno come castelli di carta. Deve sparire per sempre, meglio se rinchiusa in un manicomio. La cospirazione di cui si trova suo malgrado al centro, iniziata quando aveva solo dodici anni, continua. Intanto, il giornalista Mikael Blomkvist e' riuscito ad avvicinarsi alla verita' sul terribile passato di Lisbeth ed e' deciso a pubblicare su "Millennium" un articolo di denuncia che fara' tremare i servizi di sicurezza, il governo e l'intero paese. Non ci saranno compromessi. L'ultimo capitolo della trilogia di Stieg Larsson e' ancora una volta una descrizione della societa' contemporanea sotto forma di thriller. Un romanzo emozionante di trame occulte e servizi segreti deviati, che cattura il ritmo del nostro tempo e svela a cosa possono condurre le perversioni di un sistema malato. Una storia che, fedele all'anima del suo autore, narra di violenza contro le donne, e di uomini che la rendono possibile.
