Concise Medical Dictionary (Oxford Paperback Reference)

Elizabeth A. Martin

Concise Medical Dictionary (Oxford Paperback Reference) Elizabeth A. Martin

This market-leading illustrated dictionary contains 12,500 authoritative entries on all aspects of medical science. Written by a team of medical experts, all entries have been revised and updated for this new edition to reflect the very latest in medical knowledge and practice. Entries are accessible and jargon-free and are complemented by over 140 illustrations and diagrams.

This brand new edition includes over 500 new entries and features increased coverage of pharmacology, obstetrics/gynaecology, paediatrics, ethics, nephrology, and psychiatry. Recommended web links are now provided for many entries, which are accessed and kept up to date via the *Medical Dictionary* companion website, and appendices have been expanded to include tables of paediatric reference ranges, milk formulas, and additional abbreviations for blood tests

Selling almost 700,000 copies in previous editions, this is an essential A-Z for students and those working in the medical and allied professions. It is also an invaluable home reference guide for the general reader.

The Concise Medical Dictionary (Oxford Paperback Reference) provide you with new experience in reading through a book.

Janice Smith:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Concise Medical Dictionary (Oxford Paperback Reference) can make you truly feel more interested to read.
