## **Faith in Real Life: Creating Community in the Park, Coffee Shop, and Living Room** Mike Tatlock

An effective new voice in the contemporary church movement shares important lessons from his failures and successes in building a community that reaches out with maximum impact within an emerging culture. Over the past decade, Mike Tatlock has been on a journey to examine the life of Jesus with a view to developing a church that truly makes a difference. His hard-won lessons have shaped a ministry philosophy that is connecting people in community to engage the world around them---from the living room to the coffee shop and beyond. His clear strategy intentionally connects people and provokes them to be about something bigger than themselves. It generates momentum in a culture where people long to be part of a cause that is bigger than being a member of a church. And it creates a network of lives bonded together through authentic relationships. Faith in Real Life is not a collection of theoretical how-to's but, rather, an inspiring flight of discovery designed to help church leaders and their members take the risk to live fully, effectively, and engagingly as the body of Christ in this world.
