About The Autobiography of an Ex-Colored Man By James Weldon Johnson

One of the most prominent African-Americans of his time, James Weldon Johnson (1871–1938) was a successful lawyer, educator, social reformer, songwriter, and critic. But it was as a poet and novelist that he achieved lasting fame. Among his most famous works, *The Autobiography of an Ex-Colored Man* in many ways parallels Johnson's own remarkable life. First published in 1912, the novel relates, through an anonymous narrator, events in the life of an American of mixed ethnicity whose exceptional abilities and ambiguous appearance allow him unusual social mobility — from the rural South to the urban North and eventually to Europe.
