The Chronicles of Spartak: Rising Son

Steven a Coulter

The Chronicles of Spartak: Rising Son Steven a Coulter

On the 4th of July in the year 2115, sixteen-year-old Spartak Jones is betrayed, kidnapped and sold, the first legal slave since the Civil War, just as America splinters into a bloody power struggle between the families of the ruling elite. Fighting for survival, freedom and love, the Olympic bound athlete proves to be a lethal warrior, resourceful, fearless, loyal and not shy about his sexuality. His exploits awaken a long-dormant liberal underground and he becomes a symbol of hope, a handsome flesh and blood icon for an America that used to be and might be again--if he can endure.

Dark, twisted, dystopian, uplifting, and romantic--The Chronicles of Spartak (Rising Son) delivers a 22nd century LGBT action hero who will make you cheer.

Warning:

No Apocalypse. No Zombies. No Vampires. No Magic Wands. No Dragons. Just a touch of science fiction and an extraordinary teenager battling to protect those he loves. Can he play classical piano? Of course. Can he save democracy? Maybe.
