He's back, with more of the far side of fine art. Just when you think you've gotten the hang of identifying ducks with a field guide, you find yourself standing in front of a Will Bullas painting. Right away you figure out that you may as well forget everything you ever learned about Indian Runner ducks (and elephants, rabbits and pigs, for that matter). There's something funny going on around here, and it's not just what Will Bullas paints, it's the pairing of madcap imagery and zingy one-line titles. Will Bullas' imagery is found on stationery products, clothing, cuddly plush, porcelain collectibles, CD-ROM and signed fine art prints. He is a signature member of the Knickerbocker Artists of New York, the American Watercolor Society and the National Watercolor Society. His first book "A Fool and His Bunny...", published by Greenwich, has 34,000 copies in print.
