What can you expect inside this naughty Taboo tale?

Mel still lives at home and is used to making great money from her adults only webcam shows on the net, but she still loves it when Ken, the **Man of the House**, spoils her rotten.

A show goes better than expected and she makes too much noise wrapping it up. No problem though, because only Ken is home to hear her.

Except, it is a problem... Ken knows all about her **nasty little shows** and better yet, he is about to tell her that **he is her biggest fan**.

I can't go into further detail here, but click the "Look Inside" button for a taste of what's to come in ***ALL MINE*** -- Kitty Stroker
