Brooklyn Rose Ann Rinaldi

It's 1900, the dawn of a new century, and fifteen-year-old Rose Frampton is beginning a new life. She's left her family in South Carolina to live with her handsome and wealthy husband in Brooklyn, New York--a move that is both scary and exciting. As mistress of the large Victorian estate on Dorchester Road, she must learn to make decisions, establish her independence, and run an efficient household. These tasks are difficult enough without the added complication of barely knowing her husband. As romance blossoms and Rose begins to find her place, she discovers that strength of character does not come easily but is essential for happiness.

Writing in diary form, Ann Rinaldi paints a sensual picture of time and place--and gives readers an intimate glimpse into the heart of a child as she becomes a woman.
