Cloud Control? Rlsanders

This is a story about a boy growing up through unfortunate circumstances that push him to the brink and make him yearn to do something that perhaps, may not be meant for us to accomplish as he becomes an extraordinary, young man. However, the forces that drive him could derive from not being guided by the right influences in life. Edward grows up in a typical family, that undergo an all too common trait that half of modern American families go through. God never lets him forget his purpose, even though it drives his anger, causing young Edward to reject and denounce The Almighty. It's always helpful to have a God-fearing mother in the mix, or is it? Imagine as the story unfolds, would it be easy for you to let go and let God take control, or is that something you're struggling with now? Ryan L. Sanders had high hopes growing up, but when he asked his Heavenly Father for aid in his aspirations, Ryan was rudely awakened to God's aspiration for his life. Placed in a coma with a brain injury, God came at him from all directions, and gave him the strength to overcome, as well as the inspiration to write about his remarkable story. He's continued to write inspirational stories since and he hopes everyone who reads his 4th published book gains positive perspective from it.
