Once competitors, Erin Gilbert and (the irritatingly good-looking!) Steve Sullivan have now become business partners. Their first project together? A feng shui makeover of a celebrity chef and his famous artist (famous more for her temper than her art!) wife's home. But it seems that this home—and the project—generates more than a few bad vibes. When the construction foreman on the job, Erin's half-brother, dies in a suspicious manner, Erin decides to explore clues that the police have ignored, leaving Steve on his own to fend off the advances of a dangerous beauty all by himself... Erin finds herself alone in the hunt for her brother's killer—a killer who may just have designs on her as well!
