For Real Alison Cherry

From Alison Cherry, author of *Red*, a novel PW declares “sparkles with wit,” comes a terrific story about two sisters and one big question: how do you know who’s for real?

When Miranda discovers her boyfriend, Samir, cheating on her just after her college graduation, her sister, Claire, comes up with the perfect plan. They’ll outshine Miranda’s ex on *Around the World*, a reality TV show on which fame-obsessed Samir is already scheduled to compete.

Claire expects the game to be simple: all they need to do is race around the world faster than Samir and they’ll win a million bucks. But the show has a twist, and Claire is stunned to find herself in the middle of a reality-show romance that may be just for the cameras. In a world where drama is currency and manipulation is standard, this summer could end up being the highlight of her life . . . or an epic fail forever captured on film.

“Fresh, fun, and packed with adventure.” —*VOYA*

“A sweet and funny story of sisters bonding.” —*Publishers Weekly*

“A comic romp with considerable wisdom on the side.” —*Kirkus Reviews*

“Funny and lighthearted, this novel nevertheless delivers truth in tender ways.” —*Booklist*

From reader reviews:

Debbie Davis:

The book For Real can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book For Real? A few of you have a different opinion about guide. But one aim in which book can give many data for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or information that you take for that, you can give for each other; you are able to share all of these. Book For Real has simple shape but you know: it has great and massive function for you. You can appear the enormous world by available and read a reserve. So it is very wonderful.

Jerry Linton:

Reading a guide tends to be new life style with this era globalization. With reading you can get a lot of information that can give you benefit in your life. Having book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only the storyplot that share in the guides. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their expertise in writing, they also doing some investigation before they write to their book. One of them is this For Real.

Jeff Puckett:

Is it anyone who having spare time and then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This For Real can be the solution, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?

Maureen Bonds:

Many people said that they feel bored when they reading a book. They are directly felt this when they get a half regions of the book. You can choose the actual book For Real to make your reading is interesting. Your skill of reading proficiency is developing when you similar to reading. Try to choose easy book to make you enjoy to study it and mingle the opinion about book and looking at especially. It is to be first opinion for you to like to open a book and learn it. Beside that the reserve For Real can to be your brand new friend when you're experience alone and confuse in what must you're doing of this time.
