Hosbach A link in the Chain: An autobiography by E. Robert Hosbach (No more empty spaces- no more unanswered questions) (Volume 1) Robert Hosbach

This was harder to write than any of my novels because I could not give the characters the form and nature I wanted, nor could I subject them to crises and trauma or suspense and danger of my invention. There was no mystery to solve, other than life itself, and I could not create a happy ending for anyone – that's God's job. So I was stuck with the facts of my life – although most of them still glimmered like diamonds among other less radiant stones. This is for the present and future Hosbachs. It is also for all of our many friends and acquaintances who know me, but not as well as they might have. Inside you will find much that you never could have imagined. This is my gift to everyone to share my joys (which are still in progress) and to learn from my mistakes (which are not).
