## **House of Lords** Philip Rosenberg

Jeffrey Blaine is a good man, a wealthy and powerful Wall Street broker with impeccable social standing. But his wife—who supports charitable foundations from their Park Avenue townhouse—seems to have lost interest in their marriage, and his daughter, a beautiful debutante ready for Yale University in the fall, has turned sullen and rebellious. Having achieved everything he'd ever dreamed of, Blaine now feels unsettled, stagnant, hungry for a new challenge—a challenge that presents itself suddenly in the person of Chet Fiore, an ambitious entrepreneur rumored to be tied to organized crime. When Blaine rebukes Fiore's offer to participate in an illegal business proposition, he discovers that the mafia lieutenant has laid an elaborate trap to ensure Blaine's cooperation: the abduction of his beloved daughter. To ensure her safe return, Blaine is forced now to become a partner in a money laundering scheme of immense proportions. But once the transaction is completed, Blaine is a changed man, unexpectedly empowered by Fiore's demands, a man ready to shed his staid past for the urgency and risk of a life of crime; and so they form an alliance that forever changes the lives of both men, leading to the demise of one and the corruption of the other.

*House of Lords* is a riveting investigation of power and corruption—part human drama, part thriller—that has the potential both to be a critically acclaimed portrait of our age.
