With an introduction read by Max Hastings. The famous D-Day landings of 6 June, 1944, marked the beginning of Operation Overlord, the battle for the liberation of Europe.

Republished as part of the Pan Military Classics series, Max Hastings' acclaimed account overturns many traditional legends in this memorable study. Drawing together the eyewitness accounts of survivors from both sides, plus a wealth of previously untapped sources and documents, *Overlord* provides a brilliant, controversial perspective on the devastating battle for Normandy. Max Hastings, author of over 20 books, was born in 1945. He was a scholar at Charterhouse and University College, Oxford, before working as foreign correspondent for newspapers and BBC television, reporting from over 50 countries. He was editor of the *Daily Telegraph* for almost a decade, and then for six years edited the *Evening Standard*. He has won many awards for his journalism, particularly for his dispatches from the South Atlantic in 1982. He was knighted in 2002.
