This book features 12 fusible web applique patterns -- one for each month of the year -- inspired by antique and folk art quilts. Each little project measures about 8" x 10" and can be framed and swapped out each month. The projects are very easy. All you need are a good pair of scissors, and iron, fusible web, fabric and some embroidery floss. Each one can be made in a day. The patterns are in reverse and are to scale for fusible web. 40 full color pages with quotes and little paintings add more eye candy to the already gorgeous little applique designs.
