**German Men Sit Down To Pee And Other Insights Into German Culture** Niklas Frank, James Cave  
Welcome to Germany, a country where you should always wait at the red man, show up on time for your wedding, and be extremely suspicious if anyone offers you a doughnut.

‘German men sit down to pee’ is a tongue-in-cheek guidebook to German culture that highlights the rules Germans consciously and unconsciously follow, while trying to make a little sense of it all along the way. Why, for example, mowing your lawn on a Sunday will mean getting an earful from your neighbour, but lie naked in the middle of a public park and nobody will bat an eyelid.

Ideal for anyone visiting or moving to Germany, ‘German Men Sit Down to Pee’ offers a collection of insights into German culture while at the same time highlighting rules and cultural norms that those visiting Germany will not only find humorous but useful for avoiding any cultural faux-pas.
