My Friend Annie (My Friends...) Jane Duncan

My Friend Annie takes the reader back into Janet Sandison's childhood. It opens as the death of her mother shatters the bliss of her Highland home. Janet migrates with her father to grimy, lowland Cairnton, where she meets the hateful and stupid Jean, soon, alas, to be her step-mother-and pretty Annie Black. Years of unhappiness are relieved by holidays among the unchanging loveliness of Reachfar. But while at school, Janet finds out about Annie's profession-a discovery that troubles her strong sense of right and wrong.
