Transform to Transform Zambia Liya Mutale

The book “Transform to Transform Zambia” was written with the Zambian people in mind, but can be read by any other nationals. The whole idea is to allow people to look into their lives as they are at present, to assess their potential and to make a deliberate decision to change things for the better. If followed and read with the dedication required this is a life transforming book. The book highlights the truth about the fact that we were all created to do something here on earth and the sooner we discover our purposes the sooner we will be in a position to transform our lives in line with where it is we are going. The main message is that in order to transform a nation, the people have to be transformed first. The wealth of any nation is in its people.
