It's not easy living in someone else's world. But that's the story of Mike de Wolf's life.??literally. He awakens to find himself the pirate villain in someone else's book, landing in the West Indies three centuries ago, pursued by buccaneers and a wild woman on horseback. He soon realizes one terrible fact...the villain always meets a certain painful death. What's a guy to do? Is there way to change his Fate? The answer's written in the sky—in this wildly original, wickedly amusing novel. *"An adventure story written in the great style adventures should be written in."* —Clive Cussler
