When Christians are confronted by media with a "new" theology, they aren't always sure what to do. It may sound spiritual, almost Christian. But something isn't quite right. Richard Abanes helps believers as well as the curious understand that Eckhart Tolle's message in *A New Earth* is dangerous. He then provides a clear biblical response to this New Age message. Topics include Tolle's misuse of Scripture, false teachings on God, the Bible's teaching on evil, *A New Earth's* version of salvation compared to God's plan, and much more.
