This map is waterproof and tear-resistant, double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information.

Coverage includes northern part of Albania. Names of major places within Serbia and Montenegro are in Latin alphabet and Cyrillic.

Road and rail networks are easy to see on a clear base which presents topography by altitude colouring with contours, spot heights, mountain passes and numerous names of mountain ranges. Road network includes local roads and tracks, and gives driving distances on main and many secondary roads. Ferry routes to the Adriatic islands are also shown.

National parks and protected areas are marked and symbols highlight various places of interest, including campsites, UNESCO world heritage sites, archaeological remains, castles and churches, museums, viewpoints, beaches, ports and marinas, etc. The map has a grid with latitude and longitude at intervals of 20', plus an extensive index of localities. Multilingual map legend includes English. High quality German-made map.
