You earn a check that only gets you by enough to pay your bills. Maybe you struggle to make a car payment. You really want to play the latest video game, perhaps LocoRoco or Grand Theft Auto: Chinatown Wars, but your budget does not allow you to buy both. What should you get?

Picking good games can be hard. Avoiding duds can be even more difficult. That's why smart consumers turn to experts on the subject. I founded Game Freaks 365 to help people choose games that are worth their hard earned dollar and bypass games that are better suited for the trash can. This guide aims to help the smart consumer pick the best games that the PSP has to offer.

Game Freaks 365 is a video game news and review website that has been around since April 2003. We have covered every major console and handheld since, including the GameCube, PS2, Xbox, GBA, N-Gage, Zodiac, Nintendo DS, PSP, Xbox 360, Wii and PS3.

I personally have been invited to several press events sponsored by EA and to E3 in Los Angeles. Writing about video games is one of my passions. I'd like to think that I'm pretty good at it. But you can be the judge of that by reading this Review Guide.

Nearly 65 reviews from some of the finest games on the PSP are included in Game Freaks 365's PSP Review Guide. Popular titles include Burnout Legends, Coded Arms, Death Jr., FIFA Soccer, Grand Theft Auto: Chinatown Wars, Grand Theft Auto: Vice City Stories, LocoRoco, Metal Gear Acid, Metal Gear Solid: Portable Ops, Ridge Racer, Wipeout Pure and many more!

So what are you waiting for? Get reading!
