TAKE YOUR ENGLISH TEACHING TO A HIGHER LEVEL

The second book in this remarkable language series, “How to Teach English to a Spanish Speaker” (Level 2) will continue to prepare you to be a top notch English teacher who can dramatically improve a student’s speaking skills in just a few weeks.

Designed for those who have completed How to Teach English to a Spanish Speaker Level 1, this well detailed instructional book is complete with another 36 conversational lessons filled with teaching tips, reading lessons and high frequency words which complement the conversational lessons.

TAKE YOUR STUDENT’S ENGLISH SPEAKING TO AN INTERMEDIATE LEVEL

“How to Teach English to a Spanish Speaker Level 2” is a treasure trove of English language learning. This book continues adding to the powerful foundation developed in Level 1. The student can expect to take his Spanish skills to an intermediate level as he continues through literally hundreds more speaking applications in the English language. Once again there is no memorization of long boring, lists (such as kitchen words, sport words, hospital words, etc.) that aren’t connected to highly used grammatical patterns. Such methods end up leaving a student frustrated and helpless when in an English conversational situation.

Each lesson contains instructional prompts in bold print which you read to the student. These prompts are in basic Spanish and English with the prompts transferring more and more to English as the course progresses. Your student will continue his enjoyable but challenging learning experience in Level 2 as he continues to be immersed in the English language. As in Level 1, you simply read the instructor prompts, and the student answers you. If he’s right, go on to the next line. If he’s not, correct him so he says it correctly. If the student says the answer correctly, move to the next line. Then go to the next line. That’s all there is.

“How to Teach English to a Spanish Speaker Level 2” explains how to know when to advance your student to the next lesson as well as how to watch for common pronunciation errors common to Spanish speakers. Give your student a success in conversational English well beyond what he thought possible. Start using this book today!
