5 stars, Great Book !!

By Terence A Connor

You know this is a great book when I am not a religious person myself. But I can find so much meaning in a book. On how to be a better person, a more giving person and so much more. How to deal with stress , anger, and negativity. You don't have to be religious to enjoy this book and learn from it. And on that point this is a definite recommend.

5 stars Finally a book with useful principles
