## **Organizzati gli Eventi - ATTO 4 - LOCATION (Italian Edition) Ricky Butera**

Per creare eventi vincenti devi prima apprendere a fondo la conoscenza di te stesso!

### **CHE COS'È UN EVENTO?**

Questa domanda apre una serie innumerevole di strade da percorrere. Per capire ed indagare su un fenomeno così complesso come l'EVENTO dobbiamo capire quali sono le sue classificazioni e delimitarne il campo di studio.

Quando in termini di studio parliamo di "eventi" possiamo indicarli per mettere in evidenza e sottolineare il carattere rievocativo e rituale dell'evento, identificandolo come "un rito pubblico tematizzato", che nasce con una finalità ben distinta e delimitata nel tempo; possiamo anche definirlo soffermandoci sulla forza comunicativa che suscita interesse in un pubblico e ne richiama l'attenzione.

Un evento può essere considerato sia come un'attività ludica e ricreativa, che come uno strumento divulgativo per arrivare in modo efficace a obiettivi, che se è prefissato ha necessariamente bisogno di una cosa fondamentale: DEVE ESSERE PROGRAMMATO.

Ogni piccolo particolare deve essere curato nei minimi dettagli.

Organizzare un evento è un'esperienza molto appagante, ma che non può assolutamente prevedere improvvisazione.

Proprio per questo chi si affaccia a questa attività deve diventare una figura professionale e capace di maneggiare con maestria tutti gli elementi a sua disposizione.
