The Erotofluidic Age Vinnie Tesla

In *The Erotofluidic Age*, Vinnie Tesla presents a masterpiece of modern Victoriana, blending ribald action, note-perfect language, and Wellsian steampunkish mad science into a stimulating blend of erotic literature. Now in paperback! Daedalus Tesla just wants to be left to his scientific research. The problem is, his Ontological Engine can only be powered by a human being in a state of extreme sexual excitement. And once you have one or two of those strapped down in your laboratory, people do start to talk. To make matters worse, the ontological forces are strange and unpredictable. The line between experimenter and experiment may blur quite unexpectedly. Hilarious, bizarre, and startlingly hot, *The Erotofluidic Age* is a pronographic book like nothing you've ever read before. Vinnie Tesla shows us a skewed steampunk world where lust, love, friendship, ego, and the frontiers of science collide with varied and surprising results. "A great merry romp of steampunk-era mad science... It takes a deft touch to blend comedy, pornography, and science fiction like this." —Iago Faustus, EroticMadScience.com "So damn fun. I giggled. I guffawed. I was entranced." —Kathleen Bradean, Erotica Revealed "One of the best erotic books I have ever read—it's funny, engaging, the characters are well-drawn and the wide variety of sexy times are really, really, really hot." —Natalie Luhrs, pretty-terrible.com

From reader reviews:

Catherine Walters:

Now a day people who Living in the era wherever everything reachable by interact with the internet and the resources inside it can be true or not need people to be aware of each details they get. How many people to be smart in acquiring any information nowadays? Of course the answer then is reading a book. Studying a book can help persons out of this uncertainty Information especially this The Erotofluidic Age book as this book offers you rich facts and knowledge. Of course the info in this book hundred % guarantees there is no doubt in it you know.

Anna Elam:

Nowadays reading books become more and more than want or need but also become a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book that improve your knowledge and information. The information you get based on what kind of publication you read, if you want drive more knowledge just go with knowledge books but if you want feel happy read one along with theme for entertaining for instance comic or novel. Often the The Erotofluidic Age is kind of publication which is giving the reader capricious experience.

Armando Rodgers:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a understanding or any news even a concern. What people must be consider whenever those information which is inside the former life are challenging be find than now's taking seriously which one would work to believe or which one the particular resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take The Erotofluidic Age as your daily resource information.

Shirley Wales:

Exactly why? Because this The Erotofluidic Age is an unordinary book that the inside of the publication waiting for you to snap that but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of rewards than the other book possess such as help improving your expertise and your critical thinking method. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.
