*****#1 Top Seller in Erotic Science Fiction!*****

ON HIS PLANET, WOMEN WHO DISOBEY ARE PUNISHED...

On a humanitarian mission to the war-torn planet Jesel, Dr. Lara Simmons is captured by the rebels who need her to perform a life-saving surgery. After their airship is blown out of the sky, she winds up in the wilderness with no one to rely on but Blade Vengeance, an enormous tattooed rebel warrior. Dominant and unyielding, he doesn't hesitate to take her in hand when she disobeys the rules he lays out for her. Yet she soon learns he also knows how to deliver pleasure--with a passion she's never before experienced.

Blade finds the doctor from Earth sexy as hell, especially when she's giving him attitude, but once he delivers her to headquarters, he tries to pull back from her allure. Known for single-handedly starting the revolution and freeing many of his people, his life is one of hardship, slavery and war. Going soft on a woman isn't part of his plan, especially with the final strike of the revolution so close. But when he sends Lara back to Earth to keep her safe during the upcoming battle, he inadvertently delivers her into enemy hands. Can he find and save her from the revolution he caused?

Publishers Note: This power exchange story contains dominance and submission, spanking and explicit sex scenes. If such subject matter offends, do not buy this book.
